EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 31 December 2021 together with the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company will not provide a hard copy of the Company's Annual Financial Report to Shareholders unless specifically requested to do so. The Company's Annual Financial Report is available on its website at www.auricmining.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's Annual General Meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Company or the Directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and Senior Management of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Financial Report of the Company for a financial year.

The Chair of the meeting must allow a reasonable opportunity for its Shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

As the Company's 2021 Annual General Meeting the votes cast against the Remuneration Report considered at that Annual General Meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this 2022 Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JOHN UTLEY

3.1 Background

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr John Utley was last elected as a Director at the 2021 Annual General Meeting.

Under this Resolution, Mr John Utley has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this Annual General Meeting.

3.2 Qualifications and other material directorships

John Utley

Mr Utley has a 30 year career in mining and exploration, principally gold sector. John has worked in Australia, South America, Papua New Guinea and in Canada where he was Chief Geologist for Atlantic Gold Corporation, during exploration and development of the Touquoy Gold Mine and other gold deposits in Nova Scotia, prior to its acquisition by St Barbara.

Mr Utley previously worked with Plutonic Resources Ltd, where he was head of the exploration team at Darlot Gold Mine, during the discovery and development of the 2.3M ounce Centenary gold deposit.

3.3 Independence

The Board does not consider John Utley to be an independent Director.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. The Company undertook such checks prior to the appointment of Mr Utley and is satisfied that no material adverse information has been revealed following these background checks.

3.5 Board recommendation

The Board has reviewed each Director's performance since their appointment to the Board and considers that Mr Utley's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (excluding John Utley) supports the election of Mr Utley and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its Shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$8.1m (based on the number of Shares on issue and the closing price of Shares on the ASX on 8 April 2022).

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in ASX Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

4.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Annual General Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Annual General Meeting;
- (ii) the time and date of the Company's next Annual General Meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:

- (i) acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
- (ii) continued exploration expenditure on the Company's current assets/or projects and funds would then be used for project feasibility studies and ongoing project administration;
- (iii) development of the Company's current business; and
- (iv) general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 8 April 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.0435	\$0.087	\$0.174
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	93,084,325	9,308,433	\$409,571	\$809,833	\$1,219,404
	Shares	Shares			
50% increase	139,626,488	13,962,649	\$614,356	\$1,214,750	\$1,829,106
	Shares	Shares			
100% increase	186,168,650	18,616,865	\$819,142	\$1,619,667	\$2,438,809
	Shares	Shares			

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. Based on the total number of fully paid Ordinary Shares on issue as at 8 April 2022.
2. The issue price set out above is the closing market price of the Shares on the ASX on 8 April 2022.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at the 2021 Annual General Meeting on 8 June 2021 (**Previous Approval**).

The Company has not, as at the date of this Notice, issued any Shares pursuant to the Previous Approval.

4.3 Voting Exclusion Statement

A voting exclusion statement is included in Resolution 3 of this Notice.

4.4 Board recommendation

The Board recommends that Shareholders vote in FAVOUR of Resolution 3. The Chair of the meeting intends to vote all available undirected proxies in FAVOUR of Resolution 3.

5. RESOLUTION 4 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

5.1 General

Resolution 4 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) and for the issue of Shares, Options and Performance Rights (**Securities**) under the Incentive Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of Securities

under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 4 is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 5.2 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 4 is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of those securities.

5.2 Technical Information Required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 4:

- (a) A summary of the key terms and conditions of the Plan is set out in Schedule 1;
- (b) The Company has not issued any Securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Plan;
- (c) The maximum number of Securities which may be issued under the Plan shall not exceed 5% of the issued capital of the Company (on a fully diluted basis) being, 6,849,625 Securities.

Terms of Convertible Securities	<p>Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.</p>
Vesting of Convertible Securities	<p>Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.</p>
Exercise of Convertible Securities and cashless exercise	<p>To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.</p> <p>Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>
Delivery of Shares on exercise of Convertible Securities	<p>As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.</p>

<p>Forfeiture of Convertible Securities</p>	<p>Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.</p> <p>Where the Board determines that a Participant has acted fraudulently or dishonestly; committed an act which has brought the Company, the Group or any entity within the Group into disrepute, or wilfully breached his or her duties to the Group or where a Participant is convicted of an offence in connection with the affairs of the Group; or has a judgment entered against him or her in any civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute, in his or her capacity as an employee, consultant or officer of the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.</p> <p>Unless the Board otherwise determines, or as otherwise set out in the Plan rules:</p> <ul style="list-style-type: none"> (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation or vesting notice.
<p>Change of control</p>	<p>If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event provided that, in respect of Convertible Securities, the maximum number of Convertible Securities (that have not yet been exercised) that the Board may determine will vest and be exercisable into Shares under this Rule is that number of Convertible Securities that is equal to 10% of the Shares on issue immediately following vesting under this Rule, which as far as practicable will be allocated between holders on a pro-rata basis on the basis of their holdings of Convertible Securities on the date of determination of vesting.</p>
<p>Rights attaching to Plan Shares</p>	<p>All Shares issued or transferred under the Plan or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.</p>

<p>Disposal restrictions on Plan Shares</p>	<p>If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:</p> <ul style="list-style-type: none"> (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
<p>Adjustment of Convertible Securities</p>	<p>If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.</p> <p>If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.</p> <p>Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.</p>
<p>Participation in new issues</p>	<p>There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.</p>
<p>Compliance with applicable law</p>	<p>No Security may be offered, granted, vested or exercised if to do so would contravene any applicable law. In particular, the Company must have reasonable grounds to believe, when making an invitation, that the total number of Plan Shares that may be issued upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous three year period under:</p> <ul style="list-style-type: none"> (a) an employee incentive scheme of the Company covered by ASIC Class Order 14/1000; or (b) an ASIC exempt arrangement of a similar kind to an employee incentive scheme, <p>but disregarding any offer made or securities issued in the capital of the Company by way of or as a result of:</p> <ul style="list-style-type: none"> (c) an offer to a person situated at the time of receipt of the offer outside Australia;

	<p>(d) an offer that did not need disclosure to investors because of section 708 of the Corporations Act (exempts the requirement for a disclosure document for the issue of securities in certain circumstances to investors who are deemed to have sufficient investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company); or</p> <p>(e) an offer made under a disclosure document, would not exceed 5% (or such other maximum permitted under any applicable law) of the total number of Shares on issue at the date of the invitation.</p>
Maximum number of Securities	The Company will not make an invitation under the Plan if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan, will exceed 5% of the total number of issued Shares at the date of the invitation.
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.</p>
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act).
